

Westgrove Wedding  
Celebration

# Welcome to the promise of a Westgrove Wedding Celebration...

Already well established as a venue of exceptional service, mouth watering food and unsurpassed value, the Westgrove team know what it takes to create your dream day. Let us look after you both, while we assist your families and friends in celebrating your marriage. With a choice of inclusive packages available, we are also happy to help you create one to suit your exact needs, as we fully appreciate that every couple have their own dreams for their day.

# Wedding Packages 2011

To enable you to celebrate in style, in addition to our regular packages, we are delighted to offer a massive 25% discount on all midweek dates (Sundays to Thursdays excluding Bank Holidays and Christmas period). This discount is also extended to all dates throughout February, March, October and November, 2011.

(Minimum number requirements of 100 guests for a Thursday wedding and 110 guests for a Friday or Saturday wedding apply)

# For Something a little different...

While the Westgrove Hotel provides the perfect arena for traditional weddings, our flexible spaces and 'can do' attitude combine to enable us to offer an array of choice for the more unique, individual wedding.

Civil Ceremonies and Blessing Ceremonies are becoming more popular and we host these in a number of different suites depending on numbers. We also have the capacity to offer a different suite for your post ceremony celebrations.

For those who opt to get married abroad, we are delighted to cater for the arrival home party and celebrations.

To help us cater for your day, let us know how you wish to celebrate your marriage and we would be happy to provide further details on each of the options above.
