Accommodation

The past year has seen great changes at Cromleach with the addition of 60 new bedrooms and our **Serene Pampering hAven** due to open May 2008. The new rooms are designed in 3 bedroom suites linked to the hotel by way of fully enclosed walkways.

This *unique* design ensures the ultimate in privacy for all our guests. Some suites are up to 300 meters from the main hotel so that wedding guests can dance the night away while others relax and enjoy the stunning scenery in the peace & quiet of their bedroom balcony.

Because the hotel is entirely non-smoking external access is provided from all new rooms.

Standard rooms have king or twin beds, full bathroom and covered terrace.

Superior rooms are south facing, most have private balcony and very fine views over Lough Arrow.

The more spacious deluxe rooms have private balcony with truly stunning south facing views over Lough Arrow, Bricklieve mountains and beyond.

All rooms have LCD TV, Tea making facilities, free broadband and the added comfort of under-floor heating.
